Sven Sonnborn

Front-End Developer

—

About Me

I am a German speaking Web Developer with experience in building web apps with JavaScript & Angular. You can find my projects that include responsive websites and business apps in my public portfolio. In my current work I am writing CNC programs and because programming was always the most interesting part in my work I started my IT journey coding small websites at home. After that, Idecided to start professional training and build projects because it provided me with the needed help. Checking on written programs and getting appropriate feedback on my code. I am looking forward to expand my experience and starting my career in IT in a junior developer position.

Main Stack:

- JavaScript
- TypeScript, Angular
- HTML, CSS, Bootstrap, Material Design

Side Stack:

- Git, APIs (REST), Google Firebase
- Scrum

—

Skills

- **Building Applications with JavaScript & Angular:** I built landing-pages and several web apps as well as OOP-based Jump-and-Run-Games with the respective technologies.
- **Working in a Software-Team:** During learning coding, I did several group projects where I learnt how to develop a software project in a team.
- **High sense of responsibility:** I am used to taking responsibility and working diligently as I always did in my job as a cutting machine operator.
- **Analytical thinking :**In my work as a cutting machine operator analytical thinking and process planning were paramount. This helped me also while learning web development.
- **Thinking out of the box:** When working as a cutting machine operator things rarely go as planned so you need to come up with creative solutions to solve unforeseen problems.

Professional Experience

STC Spinnzwirn / cutting machine operator
JAN 2019 - PRESENT, CHEMNITZ

- Planning operation order according to schedule and material
- Responsibility for the production line, quality of the final product
- Writing / correction of CNC programs

Education

Developer Akademie / JavaScript & Angular Web Development Training
SEP 2021 - JUL 2022, Munich

Project based coding academy. Main Stack: JavaScript, Angular

Portfolio: www.svensonnborn.com

Extensive Coding School, Learning Front-End Development, Coding, Agile Project Management and building several projects in teams and alone.

Richard Hartmann Schule / IHK certified machine turning operator

Graduation : 96% + scholarship from IHK (top 100 exam result in Sachsony
SEP 2015 - JAN 2019, CHEMNITZ

Three part training as machine cutting operator. Studied in school, Siemens and STC Spinnzwirn.
